OLIVESERVICEDAPARTMENTS.COM

Olive Serviced Apartments is one of the best award-winning brands in the residential residential sector in India that meets the growing demand for apartments and holiday homes. The award-winning company is supported by a consortium of institutional investors of venture capital and private equity firms tasked with becoming the industry leader of Indian Serviced Apartments with the largest inventory of rooms and RevPAR across the country.

About Olive, Serviced Apartments is a concept of accommodation for companies looking for a temporary living space for employees and managers in Delhi/NCR. In 2003, Olive launched its first full-service apartments, becoming the first supplier in Delhi/NCR. Olive is a full-service provider offering the services of a 5-star hotel (including technical services, cleaning service, free wireless internet access, gym, swimming pool and wellness services). The apartments are equipped with all modern comforts such as a home away from home.

## USP

## Olive USP

Unlike other service providers who work as aggregators/consolidators or marketing partners, we directly manage all our properties in different locations, ensuring a consistent and professional service standard that meets the expectations of our guests everywhere from India. We are also the largest provider of residential apartments in India in terms of self-catering apartments that come with their own individual kitchens.

*With excellent ratings and reviews on TripAdvisor and other online travel agencies such as Booking.com, etc., we are the reliable choice for rental apartments and vacation rentals in every city in which we operate in India.*
